MEMORANDUM FOR: Special Assistant to the Director for Planning and Coordination

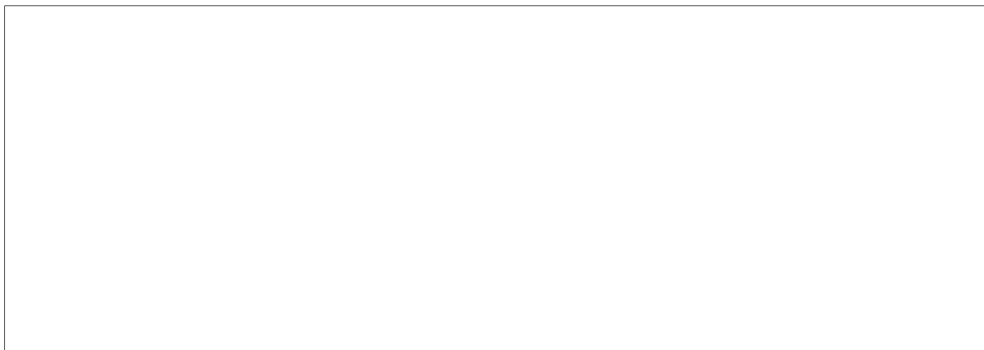

THROUGH : Deputy Director/Intelligence *neu*

SUBJECT : Implementation of Killian Report, NSC Action 1430, Specific Recommendation C.3

REFERENCE : IAC-D-55/11

1. We have deferred reply to your memorandum of 28 June on the above subject pending completion of the rather extensive testing at White Sands Proving Ground of various advanced collection techniques concerned with guided missiles intelligence. These tests have now been completed, and while the final reports are not in, we feel that paragraphs c(2) and c(3) of our 9 April report can be modified as follows:

a. At the end of paragraph c(2), there should be added the following sentence:

25X1

2. In regard to paragraph 1.b. of your 28 June memorandum, the final version of our 9 April report to you was not coordinated with the Services. In the main, the material contained in this report was derived from memoranda given us by Army, Navy, Air Force and CIA/FI. However, there were included in this report certain projects being carried on by Service departments which were not reporting to us formally, but with which we were well acquainted through our memberships in various Department of Defense advisory committees and through top level briefings which we had received as representatives of CIA.

25X1

HERBERT SCOVILLE, JR.
Assistant Director
Scientific Intelligence
